UNITED WAY ALLOCATES FUNDING – Your Gift at Work in Our Community

United Way of Coastal Georgia is excited to announce how your dollars have been invested in our community to make the most impact. Funding allocations received in 2006 for 2007 distribution were determined through an extensive evaluation process that included review by the 22 member United Way Budget & Allocations Committee and then were reviewed and approved by the United Way Board of Directors. We appreciate the time and careful attention given by local community leaders to make these funding allocations.
